

Sarah R. Martin, M.A.

659 Auburn Ave NE, #261
Atlanta, GA 30312
Smartin51@student.gsu.edu
(858) 212-0518

Education

- August 2010-
Present **Doctoral Student, Clinical Psychology**
Georgia State University, Atlanta, Georgia (APA Accredited)
Dissertation: Peer Support in Adolescents Hospitalized with Sickle Cell Pain Episodes
Chair: Lindsey L. Cohen, Ph.D.
- May 2013 **M.A., Clinical Psychology**
Georgia State University, Atlanta, Georgia
Thesis: Sequential Analysis of Parental Reassurance and Child Postoperative Distress
Chair: Lindsey L. Cohen, Ph.D.
- October 2004 **M.A., Psychology in Education, Applied Clinical Psychology**
Columbia University's Teachers College, New York, New York
Thesis: Comparative rates of substance use in upper and lower class adolescents
Chair: Roni Tower, Ph.D.
- June 2003 **B.A., Psychology, Cognitive Science**
University of California, Irvine
Irvine, California

Honors and Awards

- July 2014-Present &
July 2012-June 2013 Health Resources and Service Administration (HRSA), Graduate Psychology Education Fellowship (Cohen, 2010-2013, GPE-HRSA, DHHS Grant 1 D40HP1964301-00)
Training Graduate Students to Work with Disadvantaged Populations in Pediatric Psychology Specialization
- February 2014 Georgia State University Outstanding Graduate Student Research in Psychology Award
- January 2014 2013 Diane Willis Award for Outstanding Article in the Journal of Pediatric Psychology
Martin, S.R., Chorney, J.M., Cohen, L.L., & Kain, Z.N. (2013). Sequential Analysis of Mothers' and Fathers' Reassurance and Children's Postoperative Distress. *Journal of Pediatric Psychology*, 38 (10): 1121-1129.

February 2013	APA Division 54, Society of Pediatric Psychology Student Travel Award
November 2012	APA Division 54, Society of Pediatric Psychology Student Research Award, Honorable Mention
April 2011	APA Division 54, Society of Pediatric Psychology Diversity Poster Award

Professional Affiliations and Leadership Experience

2013-2014	Georgia State University, College of Arts and Sciences: <i>Graduate Student Representative</i>
2010–Present	American Psychological Association: <i>Student Member</i>
2010-Present	Georgia State University Psychology Clinic: <i>Diversity Committee Member</i>
2010-Present	APA Division 54 (Society of Pediatric Psychology): <i>Student Member</i>
2011-Present	APA Division 54 (Society of Pediatric Psychology): <i>Diversity and Pain Special Interest Group Member</i>
2011-Present	Canadian Institutes of Health Research, Strategic Training Initiative in Health Research, Pain in Child Health (PICH): <i>International Trainee</i>

Additional Funded Training

May 2014	Canadian Institutes of Health Research (CIHR) Pain in Child Health (PICH) Annual Research Training Institute, <i>Leaders in Neuroscience of Chronic Pain: Going from Mission Impossible to Mission Possible</i> . Quebec City, Quebec.
October 2013	Canadian Institutes of Health Research (CIHR) Pain in Child Health (PICH) Annual Research Training Institute, <i>Pediatric Pain Pharmacology</i> . White Point, Nova Scotia.
January 2013	PICH Annual Research Training Institute, <i>Randomized Control Trial Boot Camp</i> . Winnipeg, Manitoba.
May 2012	PICH Annual Research Training Institute, <i>Translating Neurodevelopmental Research into Clinical Application</i> . Whistler, British Columbia.
October 2011	PICH Annual Research Training Institute, <i>The Future of Research for Pain in Children</i> . White Point, Nova Scotia.

Talks

Martin, S.R. & Cohen, L.L. (May, 2015). Peer support in adolescents hospitalized for Sickle Cell pain crises. In P. Forgeron (Chair), Innovations, challenges and future directions in peer relationships of adolescents with pain conditions. Oral symposium presented at the International Symposium on Pediatric Pain, Seattle, Washington.

Martin, S.R. & Cohen, L.L. (2013). Adult-child interactions during distressing medical events: Methodology matters. Key Note Address presented at the Second Annual Clinical Program Research Day, Georgia State University, Atlanta, GA.

Mougianis, E.M., Oswald, C., **Martin, S.**, Griffin, A. (2013). Gender diversity and transgender identity in youth: Implications in a pediatric setting. In-service presented at Children's Healthcare of Atlanta, Atlanta, GA.

International Presentations

Martin, S.R., Cohen, L.L., Griffin, A., Mougianis, I. (May 2015). Friends like me: Social support and loneliness in adolescents with sickle cell pain. Poster presented at the International Symposium on Pediatric Pain, Seattle, Washington.

Martin, S.R., Cohen, L.L., Griffin, A., Mougianis, I. (May 2015). Pain Interference and Loneliness in Adolescents with Sickle Cell Disease: Do boys and girls differ? Poster presented at the International Symposium on Pediatric Pain, Seattle, Washington.

Martin, S.R. & Cohen, L.L. (May 2014). Parents' and nurses' perspectives of infants', preschoolers', and preadolescents' injection distress. Poster presented at the Canadian Pain Society Annual Conference in Quebec City, Canada.

Martin, S.R., Cohen, L. L., Brown, C., Cheng, C., Wang, M. D., Dampier, C., Masuda, A., Griffin, A., Feinstein, A. (October 2013). Study of psychosocial intervention enhanced by texting for adolescents with Sickle Cell Disease. Poster presented at the 2013 International Forum on Pediatric Pain, White Point, Nova Scotia, Canada.

Martin, S.R., Welkom, J.S., Feinstein, A.B., Cohen, L.L., Masuda, A. (June 2013). Value-based living, disability and pain in children with Sickle Cell Disease: Does child sex matter? Poster presented at the International Symposium of Pediatric Pain, Stockholm, Sweden.

Martin, S.R., Chorney, J.M., Cohen, L.L., Kain, Z.N. (May 2012). A Sequential Analysis of Parent Reassurance and Child Postoperative Distress. Poster presented at the Canadian Pain Society Annual Conference, Whistler, British Columbia, Canada.

Martin, S.R., Welkom, J.S., Cohen, L.L., Feinstein, A. & Masuda, A. (October 2011). Examination of disability and success in leading a value-based life in children with Sickle Cell Disease: Differences by gender. Poster presented at the 2011 International Forum for Pediatric Pain, White Point, Nova Scotia, Canada.

Chorney, J.M., Hammell, C., **Martin, S.R.,** Fortier, M., & Kain, Z. (March 2010) Sequential analysis of parent influences on children's distress behavior in the immediate postoperative period.

Poster presented at the 8th International Symposium on Pediatric Pain, Acapulco, Mexico.

National Presentations

- Martin, S.R.**, Griffin, A., Cohen, L.L., Mougianis, I. (April 2015). Stigma and Social Support in Adolescents with Sickle Cell Disease. Poster presented at the Society of Pediatric Psychology Annual Conference in San Diego, CA.
- Martin, S.R.**, Cohen, L.L., Griffin, A., Mougianis, I. (April 2015). Texting, Video Chatting, Social Networking: A new frontier in coping with illness and hospitalization? Poster presented at the Society of Pediatric Psychology Annual Conference in San Diego, CA.
- Martin, S.R.**, Cohen, L.L., Griffin, A., Masuda, A., Brown, R., Mougianis, I., Feinstein, A. (March 2014). Adherence and Pain Interference in Pediatric Sickle Cell Disease: Differences between Boys and Girls. Poster presented at the Society of Pediatric Psychology Annual Conference, Philadelphia, PA.
- Martin, S.R.**, Chorney, J.M., Cohen, L.L., Kain, Z.N. (April 2013). Analysis of Mother's and Father's Reassurance and Child Distress using Time-Window Sequential Methodology. Poster presented at the National Conference in Pediatric Psychology, New Orleans, LA.
- Martin, S.R.**, Welkom, J.S., Cohen, L.L., Feinstein, A. & Masuda, A. (April 2011). Examination of disability and success in leading a value-based life in children with Sickle Cell Disease: Differences by gender. Poster presented at the National Conference in Pediatric Psychology, San Antonio, TX.
- Martin, S.R.**, Chorney, J., Blount, R.L., Wald, S., Kain, Z.N., Shapiro, N., Strom, S. (October 2010). Changing adult behaviors in the pediatric perioperative environment: A pilot study. Poster discussion session at the American Society of Anesthesiologists Annual Meeting, San Diego, CA.
- Martin, S.R.**, Warren, K., Fortier, M.A., Morrison, D., Kain, Z.N. (October 2010). Parental desire for perioperative information: The impact of ethnicity and language. Poster presented at the American Society of Anesthesiologists Annual Meeting, San Diego, CA.
- Martin, S.**, Fortier, M., & Kain, Z. (April 2010). The impact of cultural factors on child and parental preoperative anxiety. Poster presented at the California Psychological Association's 2010 Convention, Costa Mesa, California.
- Martin, S.** (March 2009). Parent and healthcare provider behaviors and children's postoperative pain. Oral presentation at the University of California, Irvine Department of Anesthesiology and Perioperative Care 1st Annual Pain Research Symposium, Irvine, California.
- Fortier, M.A., Chorney, J.M., **Martin, S.**, Kain, Z.N. (May 2009). Children's pain at home following ambulatory surgery. Poster presented at the American Pain Society's 28th Annual Scientific Meeting, San Diego, California.

Editorial Activities

<i>European Journal of Pain</i>	Ad hoc co-reviewer with Lindsey L. Cohen, Ph.D.

<i>The Clinical Journal of Pain</i>	Ad hoc co-reviewer with Michelle A. Fortier, Ph.D.

Research Experience

August 2013- Present	<p>Primary Investigator Department of Psychology, Georgia State University Child Health and Medical Pain Lab Children's Healthcare of Atlanta Aflac Cancer and Blood Disorders Center <i>Dissertation: Peer Support in Adolescents Hospitalized for Sickle Cell Pain Episodes</i> Supervisor and Chair: Lindsey L. Cohen, PhD.</p> <ul style="list-style-type: none"> Collaborate with committee and mentors to conceptualize and conduct the project; facilitate and participate in recruitment, data collection, and data analyses
September 2012- Present	<p>Study Coordinator Department of Psychology, Georgia State University Child Health and Medical Pain Lab <i>Children's Distress during Ear Tube Placement Procedures</i> Supervisor: Lindsey L. Cohen, PhD.</p> <ul style="list-style-type: none"> Supervise research assistants and assist with data entry, analyses, and publication preparation
August 2010- Present	<p>Research Assistant Department of Psychology, Georgia State University Child Health and Medical Pain Lab <i>A Virtual Reality Biofeedback Computer Game for Pediatric Pain Relief (NIH Grant 1R21RR024412-01A1)</i> Supervisor: Lindsey L. Cohen, PhD.</p> <ul style="list-style-type: none"> Assist with project planning, data collection, recruitment, IRB submission, and oversee data entry
January 2011-July 2012	<p>Primary Investigator Department of Psychology, Georgia State University Child Health and Medical Pain Lab Chair: Lindsey L. Cohen, Ph.D. <i>Master's Thesis: Sequential Analysis of Parental Reassurance and Child Postoperative Distress</i></p> <ul style="list-style-type: none"> Coded and analyzed video data using Noldus Observer and Generalized Sequential Querier (GSEQ) Software; prepared and submitted manuscript for publication
July 2009- June	<p>Project Director</p>

- 2010 **Department of Anesthesiology & Perioperative Care, University of California, Irvine**
Center for the Advancement of Pediatric Health
Healthcare Provider Behavior and Children's Perioperative Distress
- Organized and conducted a multi-site healthcare provider intervention
 - Assisted with the preparation of an NIH R01(2R01HD048935-06) grant proposal for the nationwide expansion of the intervention
- May 2008-June 2010 **Research Associate**
Department of Anesthesiology & Perioperative Care, University of California, Irvine
Center for the Advancement of Pediatric Health
 Supervisor: Zeev N. Kain, M.D., M.B.A
- Recruited and consented English and Spanish speaking pediatric patients and their parents
 - Assisted with creating behavioral coding schemes, data analyses, and manuscript preparation
- March 2006-July 2007 **Undergraduate Research Counselor**
Department of Undergraduate Education, University of California, Irvine
Undergraduate Research Program (UROP)
- Advised students throughout all phases of their research projects, including proposal writing, research design, institutional review board applications, presenting, and publishing
- September 2002-May 2003 **Social Skills Instructor**
Child Development Center, University of California, Irvine
CUIDAR for Attention and Learning
- Implemented prescribed social skill curriculum and behavior management techniques for a study on the assessment of children with ADHD symptoms

Supervised Clinical Experience

- August 2014-Present **Consultation/Liaison and Therapy Pediatric Pain Psychology Practicum**
Aflac Cancer and Blood Disorders Center
Children's Healthcare of Atlanta at Scottish Rite
 Atlanta, GA
 Health Resources and Service Administration (HRSA) Fellow
 Supervisor: Soumitri Sil, Ph.D.
- Participate in a multidisciplinary pain clinic for pediatric patients with Sickle Cell Disease, conduct pain assessments, provide cognitive-behavioral pain management interventions, and consult with the medical team to offer treatment recommendations
 - Conduct developmentally appropriate non-pharmacological pain management interventions (e.g. diaphragmatic breathing, progressive muscle relaxation, biofeedback)
 - Deliver consultation liaison and therapy intervention services to outpatient and hospitalized hematology and oncology pediatric patients and their

families

- July 2014-Present **Therapy Intake Counselor**
Georgia State University Psychology Clinic
 Atlanta, GA
 Supervisor: Hal Rogers, Ph.D.
- Appointed by the Clinic Director and department faculty
 - Conduct psychological phone screenings with potential therapy clients and provide crisis management and outside referrals with potential clients when needed
 - Review and discuss client issues with clinicians and provided feedback on all student clinicians' therapy charts twice a year
- July 2011-Present **Therapy Practicum**
Georgia State University Psychology Clinic
 Supervisors: Susan Furman, Ph.D., Suzann Lawry, Ph.D., Aki Masuda, Ph.D., and Hal Rogers, Ph.D.
 Theoretical Orientations: Acceptance and Commitment Therapy, Behavioral, Cognitive-Behavioral, Psychodynamic and Interpersonal Theories
- Conduct weekly psychotherapy with three clients and implement treatment plans and attend weekly group and/or individual supervision
 - Conduct intake interviews and write reports for potential clients with a variety of presenting concerns
- September 2013-
 July 2014 **Child Consultation/Liaison and Therapy Pediatric Psychology Practicum**
Aflac Cancer and Blood Disorders Center, Children's Healthcare of Atlanta
 Atlanta, GA
 Supervisor: Anya Griffin, Ph.D.
- Provided consultation liaison and therapy services to pediatric patients and their families with a variety of presenting concerns including: medical adjustment, medication adherence, anxiety, depression, pain management, PICA, conversion disorder, behavior management
 - Participated in a multidisciplinary Sickle Cell Disease teen transition clinic and co-led a monthly teen group aimed at improving transition to adult care
 - Consulted with medical, psychiatry, social work, child life and nursing services as part of the multidisciplinary healthcare team
- August 2013-
 May2014 **Advanced Child Assessment Practicum**
Georgia State University Psychology Clinic
 Atlanta, GA
 Supervisors: Shital Gaitonde, Ph.D. and Nicole Caporino, Ph.D.
- Completed advanced neuropsychological assessments with children and adolescents with medical conditions
 - Wrote integrated reports and conducted feedback sessions with supervising psychologist
- July 2013-August
 2013 **Neuropsychological Assessment Practicum**
Aflac Cancer and Blood Disorders Center, Children's Healthcare of Atlanta

Supervisor: Dr. Alcuin Johnson, Ph.D.

- Conducted neuropsychological assessments with children referred secondary to medical diagnoses.
- Wrote integrated neuropsychological assessment reports.

July 2012-May 2013 **Child Consultation/Liaison, Therapy, & Assessment Pediatric Psychology Practicum**

Solid Organ Transplant Services, Children's Healthcare of Atlanta

Atlanta, GA

Health Resources and Service Administration (HRSA) Fellow

Supervisor: Laura Mee, Ph.D.

- Assisted in conducting pre-transplant psychosocial evaluations to determine readiness for solid organ transplant, which included clinical interviews, administration of cognitive and psychological screening measures, and consultation with a multidisciplinary healthcare team
- Provided psychological consultations and individual therapy for children hospitalized or receiving outpatient treatment

August 2011-April 2012

Child Assessment Practicum

Georgia State University Psychology Clinic

Supervisor: Susan Furman, Ph.D.

- Conducted outpatient neuropsychological assessments for children and adolescents with a variety of learning and psychological disorders
- Completed clinical interviews with clients and families; psychological and neuropsychological test selection, administration, scoring, and interpretation; case conceptualization; report writing; timely feedback to patients; generated recommendations for accommodations

September 2005-March 2006

Parent Educator

CA Institute of Behavioral Analysis, Inc., Orange, CA

- Provided ongoing consultation and education on applied behavior analysis techniques to parents/caregivers of children with developmental disabilities; compiled behavioral data and background information to complete assessment and intervention reports.

September 2004-June 2005

Intern Counselor

Outreach Concern, Santa Ana, CA

Supervisors: Suzanne Zetz, MFT and Fredrick Capaldi, Ph.D., MFT

- Provided individual and group therapy to high school students referred for a variety of behavioral and psychological concerns.

Clinical Supervision Experience

August 2013-Present

Advanced Child Assessment Practicum

Georgia State University Psychology Clinic

Supervisors: Shital Gaitonde, Ph.D. and Nicole Caporino, Ph.D.

- Complete advanced neuropsychological assessments with children and adolescents

- Write integrated reports and conduct feedback sessions with supervising psychologist

August 2013-
Present

Advanced Therapy Supervision Practicum

Georgia State University Psychology Clinic

Supervisor: Suzann Lawry, Ph.D.

- Supervise junior graduate students through providing weekly therapy supervision
- Assist with and supervise case conceptualization and treatment planning

Teaching Experience

Fall 2010-Spring
2014

Graduate Teaching Assistant

Georgia State University

PSYC 1101 Introduction to Psychology, PSYC 1100 Introduction to Biological Psychology, PSYC 2070 Introduction to Human Sexuality, PSYC 2101 Introduction to the Psychology of Adjustment, PSYC 3140 Abnormal Psychology, & PSYC 8030 Graduate Assessment Course

February 2008-
August 2010

Instructor/Tutor

Revolution Prep, Lake Forrest, CA

Conducted group SAT preparatory classes and provided private SAT tutoring to high school students

Community Service

2005-Present

Board Member

Responsibility, Inc., San Diego, CA

- Board member for a San Diego based charity that provides education for children who live in and around trash dumps in Tijuana, Mexico and Matagalpa, Nicaragua.
