

## **Georgia Mathematics Association of Two-Year Colleges**

### **Annual Meeting on February 10, 2023 at Clarkson Campus from 2:00PM- 2:36PM**

President Avi Kar opened the meeting by introducing himself as the current GMATYC president. The president played the video of Southeast region VP report to the attendees. The summary of the report is as follows:

#### **Southeast Region VP Report**

The Vice President, Alvina Atkinson presented the following from AMATYC

- Thanked Avi for allowing her to greet the members.
- Thanked AMATYC Delegates
  - Avi Kar and Nikita Patterson – Affiliate Delegates
  - Hong Du and Sharron Jenkins – State Delegates
  - Stephanie Garofalo – State Delegate Proxy
- Encouraged non- members of the AMATYC to consider joining AMATYC
- 49th AMATYC Annual Conference in Omaha, NE from November 9 – 12, 2023
- Now accepting presentation proposals. Due February 15, 2023
- AMATYC members have a reduced conference registration fee.
- Any Project Access Fellows who are a part of GMATYC can apply for the Leila and Simon Peskoff award. This award gives you lifetime membership in AMATYC, and the deadline to apply is May 1<sup>st</sup>, 2023. Access Project is a program for teachers in their first 4 years, and it is a cohort of educators who are coming together to basically learn innovative ways to be better teachers. The deadline to apply for this program is May 15, 2023. Encouraged teachers in their first 4 years to consider applying for Project Access.
- AMATYC Regional Scholarship: Discounted conference registration fee will be available to AMATYC members. Recipients of this award will be randomly selected. Encouraged AMATYC members to consider applying for the scholarship and consider donating to the fund.
- AMATYC members can participate in myAMATYC, which has great content.
- Future conferences: AMATYC Annual Conference in Omaha, NE from November 9 – 12, 2023, AMATYC Annual Conference in Atlanta, GA, November 14 – 17, 2024. AMATYC Annual Conference in Reno, NV, November 13 – 16, 2025.
