

Dear Parent,

Thank you for enrolling you child(ren) in Little Ones Learning Center!

Little Ones is a Quality Rated and NAEYC accredited program and our academic philosophy is based on core Creative Curriculum principles for students ranging from infants to preschoolers. The heart of learning and flourishing holistically thrives in our child friendly and age appropriate classroom environments in which our qualified teachers promote joy in learning and the development of each child's true potential by enabling their intellectual, emotional, physical, and social growth through various avenues.

We take pride in knowing that we are a working community here to meet your child where he is. The partnership between the center, child parent and community is paramount where we will draw from surrounding resources to ensure that the needs of your child are met.

In addition, we subscribe to Positive Behavior Intervention and Supports (PBIS) principles, which support not only children with challenging behaviors, but the entire classroom as a whole. Success happens when children, parents and staff work together.

Children, parents and staff are required to:

Be Responsible

Be Respectful

Be a Worker

Be Safe

Thank you for entrusting us with the care of your child and as always, we welcome your presence at our center at any time. We have an open door policy and encourage families to volunteer. We look forward to serving you and your family.

Sincerely,

*Toyin Okunoren*

Executive Early Childhood Program Administrator
